AUGUST 2017

Gorgeous Garden Party

It wasn't a sunny day-in fact it was quite grey and overcast, threatening rain at any time. In or out? The decision was made for out, even though the tombola tickets threatened to blow across Uttoxeter Road!

However, this proved to be a good day for a garden party -stalls and gazebos were erected and the garden was bedecked with flags, bunting and balloons.

Thank you to all who came to help in some way. Thanks are also due to those who gave prizes and manned "or womanned" stalls, or made some of the endless yummy cakes!

The final THANK YOU, and the most important, is for Liz and Brian. Without the kind offer of the use of their lovely house and beautiful garden, there would not have been a Garden Party this year.... and Parkinson's Funds would be down by £511. Yes, £511 an amazing total – and a very happy afternoon!
